

4VAC15-260-60. Game: Waterfowl and Waterfowl Blinds: Blinds adjacent to Chickahominy Wildlife Management Area.

Summary

The proposal is to repeal this regulation.

Proposed language of the amendment:

- 1 ~~4VAC15-260-60. Blinds Adjacent to Chickahominy Wildlife Management Area.~~
- 2
- 3 ~~No license shall be issued for stationary waterfowl blinds on Morris Creek and the Chickahominy River~~
- 4 ~~in Charles City County adjacent to the Chickahominy Wildlife Management Area.~~

Rationale

Passage of the proposed new regulation, 4VAC15-260-85 (NEW): Non-riparian blinds adjacent to department-managed properties, would make this regulation unnecessary.
